Drive a Real NASCAR Race Car in Daytona

Located directly across from the Daytona International Speedway, **The DAYTONA** is the best place to experience a classic all-American vacation. For the ultimate racing adventure, book the NASCAR Rookie Experience package, which includes overnight accommodation, a NASCAR driving tutorial, and a bottle of Champagne afterwards back on property. The property also features a design inspired by the area's iconic racing history such as vintage show cars on display year-round, a full-service restaurant and a bar called The Blue Flame that offers a nod to the Prohibition era with signature Moonshine cocktails.
